Teacher Referral Program Cash or Scholarship Reward

As a teacher, you may know many other teachers or colleagues who teach chorus, orchestra, band, social studies, science, etc. These teachers often choose not to participate in group trips because as we all know, planning a trip can be very time consuming! Often times, you put in time and energy, but receive no compensation. Blue Ridge Tours is excited to announce a new **Teacher Referral Program**. The **Blue Ridge Tours Cash or Scholarship Reward** was developed for you and your colleagues as an added bonus because you've earned it.

The Cash Reward or Scholarship Reward of \$500 can be earned simply by referring Blue Ridge Tours to another teacher or school. Upon their departure, your reward will be issued and may be used as you see fit, whether to help defray your personal cost, provide trip supplies, purchase T-shirts for the group, or to help a student with the cost of their trip.

Isn't it rewarding when you tell a friend about something you know they will love? When you refer a teacher or colleague to Blue Ridge Tours, you will earn our special thank you bonus and your colleague will get to experience the trip of a lifetime with their students.

To refer someone, please have your colleague contact Blue Ridge Tours and we will send all the information he or she will need to begin planning a tour. As soon as your colleague completes a customized tour with 40 or more paying participants, we will send you your Cash Reward or Scholarship Reward. It's amazing that something so simple can be so rewarding!

I really appreciate you taking your time to review Blue Ridge Tours' Referral Program. If you have any questions, please feel free to call my office number at Blue Ridge Tours, at 864-834-5604, or on my personal cell phone at 864-630-4632.

All the best,

Steve Sulligan
